# IMPORTANT DOG LICENSING UPDATES

Our dog licensing website has updated! With this change, **the first time you license your dog online, you will need to create a new account. You will not be able to look up the prior account.** After you create an account in the new system, you will be able to log in using this account moving forward. The link at [co.lucas.oh.us/dogtags](http://co.lucas.oh.us/dogtags) has not changed.

When you purchase a **3-year dog license** this year, you will receive a silver tag. This silver tag means that when you license your dog, you will not need to go through the hassle of replacing the physical tag. You are still required to purchase the license when it expires.
