INSTRUCTIONS FOR COMPLETING FORM

FILING DEADLINES AND SCHEDULE OF DEDUCTIONS:

An application for refund or waiver of the current year's taxes must be filed no later than the 31st day of January following the year in which the destruction or damage occurred. Any tax refund or waiver approved will affect the tax bills for the year in which the damage or destruction occurred. The amount of the tax refund or waiver equals a percentage of the tax on the reduction in the value of the home caused by the damage or destruction. That percentage is determined by the calendar half in which the damage occurred. The filing deadline and percentage deduction in taxes allowed for each calendar half are shown below.
